SIR,

Subject: Sanction to the purchase of steel sections for Period II/54.

I write to state that the quantities of steel sections noted in the margin** are required by the Trust Board for several urgent works on hand for the period II/54. As there was heavy demand of steel for use on the Trust Board works due to the construction of Labour Housing Quarters at Kesare and other improvement works also, an authorisation is already obtained from the Iron and Steel Controller, Government India, as per his letter No.ISC/Prod/AdHoc/Mysore/III(49)2698 for supply of the undermentioned quantities:-

1/2"	30 tons,
1/4"	10 tons,
3/8"	24 tons,
5/8"	5 tons,
3/4"	5 tons.

3/8" - ten tons, 1/2" - ten tons, 3/4" - five tons. He is again requested to issue an authorisation for the balance quantities. The cost of the materials will be debited to stock for the year 1954-55.

I therefore request that sanction of Government may kindly be obtained and communicated early for the purchase of the quantities of steel referred to in para II above. I request the favour of early communication of sanction of Government in the matter. Specific sanction is required to avoid audit objection.

Yours faithfully,

(S.Linganna)
Chairman.
